The 2017 rankings are based on the highest number of participating firms and highest number of client ballots on record. To be eligible for a ranking, a firm must have a lawyer listed in *The Best Lawyers in America*, which recognizes the top 4 percent of practicing attorneys in the U.S. Over 10,000 attorneys provided more than 800,000 law firm assessments, and over 10,000 clients provided more than 90,000 evaluations.
